(Other onsite locations may be considered)

Core Consulting Offerings

- Business Transformation
- Organizational Change Management
- Knowledge Strategy

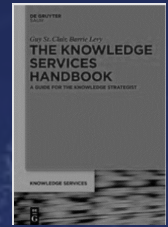

Additional Offerings

- Facilitation Services
- Project Management Services
- Professional Mentoring

Example Clients

- Fortune 20 global technology company
- Fortune 100 global multinational technology and industrial company
- Fortune 300 healthcare diagnostics company
- Global technology startup in surgical AI
- Boutique IT consulting firm
- Small, privately-held media company
- IFC /World Bank Group (Knowledge on a Mission, 3x invited facilitator (pro bono))

Unlike firms and consultants that keep clients at arm's length, Knowledge Sherpa believes in working hand-in-hand with clients to ensure strategy and execution remain tightly coupled. The most satisfying element of this "embedded consultant" model is that clients and their teams feel confident and well-positioned for sustainable success when the engagement ends.
